

Ascending Steps

SKU: NW-ASC-##

Recommended Tools:

- ☐ 7/32" Hex Key
- ☐ 1/4" Hex Key

Step 1:

Slide each **Ascending Step Top** in an **Ascending Step Base**, adjust to desired height and tighten set screws.

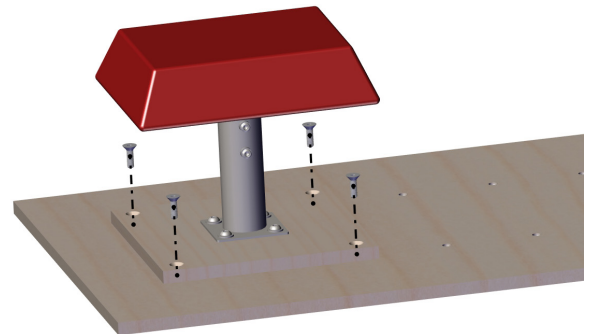

Step 2:

Firmly place **Wooden Floor Plate** in desired location on carpet bonded foam.

Step 3:

Attach each **Ascending Step Base** to the **Wooden Ground Plates** in desired locations using the included 1-1/4" Hex Drive Screws, one in each of the 4 corners of the **Wooden Ground Plate**.
