Hanging Ladder

Parts Included:

- 2 - Ladder Sides
- 5 - Ladder Rungs (8 for 8ft Ladder)
- 10 - Allen Head Bolts (16 for 8ft Ladder)
- 4 - Nylon Straps for Hanging
- 4mm Allen Wrench (If unassembled)

Instructions:

Step 1:

Place all rungs in holes on one ladder side, securing each using the supplied bolts.

Step 2:

Attach the other side of the ladder, taking care to seat the rungs in their respective holes. Tighten down bolts.

Step 3:

Ladder may also be hung using included straps or by putting 1.25" (1.66" OD) cross pipes through holes on either end.

WARNING: These items are not toys. Activities involving motion and height create inherent risk of serious injury including paralysis or death. These products are intended for use by properly trained participants under qualified supervision, and the user of this product therefore assumes this risk. Always know your physical limitations and limits of your equipment. Avoid landing on head or neck as serious injuries may result. Always check for proper mat positioning, equipment stability, and inspect hardware for wear and damage before and after each use. Do not use if signs of damage or excessive wear are present. DGS shall not be liable for personal injury or property damage incurred through the use of purchased items.
