

## Peg Balance Trainer

SKU: NW-PEGBALANCE8

### Recommended Tools:

- ☐ Tool 1
- ☐ Tool 2

### Step 1:

Match the foot marked with tape to the end of the Peg Balance Trainer Stem marked with tape. From the bottom of the trainer, secure the foot using the included wood screws. Repeat with the remaining foot and end.

### Step 2:

Turn the trainer over to the side with the peg holes. Insert the pegs into the holes in any order to create your desired challenge.
